REPORT OF COMMITTEE ON RESOLUTIONS.

Resolved, First that we give to Almighty God, our heart felt thanks for the happy and profitable meeting we have enjoyed, and that we recommend our members to carry home with them the spirit of enthusiasm which has pervaded this meeting, give reports of work done, and inaugurate echo meetings in the local churches.

Second, That we all make a determined effort to raise our local apportionment for Ashland University and that we support it with students and donations as much as possible.

Third, That it is the sense of this conference that the efficient work of the S. S. C. E. be recognized by inviting the sisters to contribute one half day to the business of the next conference.

Fourth, That we encourage the work of the young people of the state *as it is at present organized*, and further that we ask our National Board to provide for a fuller co-operation among the societies of our church and with the world movement by providing in the K. C. constitution for,

1 A pledge for active members.

2 A monthly consecration meeting.

3 The use of the C. E. topics.

4 The name King's Children of Christian Endeavor, and we pledge our undivided support when this is done.

Fifth, That we believe it to be the duty of a Christian to use all ones time and resources in the way in which he may do the most good, that we insist upon our people applying this principle to doubtful amusements, to action in politics, to the use of tobacco, liquor or luxuries, or to any doubtful action.

Sixth, That at the following conferences each church report to the secretary of the entertaining church the number that contemplate being in attendance, that the entertaining church may be better able to provide for its guests.

Seventh, That we extend to the members of the Milford church the hearty thanks for the happy and sincere spirit of hospitality with which we have been welcomed and entertained; to the janitor of
